**DETERMINATION OF CUSTOMS VALUES OF BLEACHED/UNBLEACHED KRAFT LINER BOARD UNDER SECTION 25-A OF THE CUSTOMS ACT, 1969**

(VALUATION RULING NO. **833**/2016)

No.Misc/08/2013-III

**8805**

Dated: **19-04**, 2016

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, the Customs values of Bleached/Unbleached Kraft Liner Board & Paper are determined as follows:-

2. **Description of the valuation issue:** The Customs value of Bleached/Unbleached Kraft Liner Board and Unbleached Sack Kraft Paper were determined under Section 25-A of the Customs Act, 1969, vide Valuation Ruling No.721/2015 dated 17.02.2015. In this context, the All Pakistan Papers Merchants Association has requested for revisiting the above mentioned Ruling to reflect the current prices prevalent in international market. Accordingly an exercise was undertaken to examine contents of the association's request and to determine the Customs values of the subject goods in the light of prevailing international market prices.
2. **Method adopted to determine customs values:** Valuation methods provided in Section 25 of the Customs Act, 1969 were duly followed and applied sequentially to address the valuation issue at hand. Transaction value method provided in Sub-Section (1) of Section 25 was found inapplicable because it is generally known to all that majority of invoices produced at import stage are manipulated/fabricated and hence the requisite information required under the law was not available to arrive at the correct transaction value. Identical / similar goods value method provided in Sub-Sections (5) & (6) of Section 25 ibid were examined for applicability to determine Customs value of subject goods. this data provided some references, however, it was found that the same cannot be solely relied upon due to the absence of absolute demonstrable evidence of qualities, and quantities of commercial level etc., and also it was observed that importers usually provided misleading description while declaring goods, as other types and varieties of similar goods to avoid the application of valuation ruling. Information available was, hence, found inappropriate. In line with the statutory sequential order of Section 25, this office then conducted a market inquiry using Deductive Value Method under Sub-Section (7) of the Section 25 of the Customs Act, 1969, however, it was found that the determination of Customs value could not be based solely upon this method either. Therefore, valuation method provided vide Section 25 (8) of Customs Act 1969, could not be applied as the conversion cost from constituent materials and allied expenses, at country of export were are not available. Finally, Pral database, market information was evaluated and international prices from internet sources were thoroughly examined. All the information so gather was analyzed for determination of Customs Value.

Consequently, the Fall Back Method as provided under section 25(9) of the Customs Act, 1969 was applied to arrive assessable customs values of Bleached/Unbleached Kraft Liner Board/Paper in this case.

3. **Stakeholders' participation in determination of customs values:** Meeting was convened with stakeholders on 21.03.2016 wherein their views were sought regarding valuation of subject items. During the meeting it was decided that Sack Kraft Paper is a non commercial item and used for cement industry only therefore, Sack Kraft Paper is to be deleted from the instant Valuation Ruling. However, the valuation trend of this item will be monitored for consistency, variation and fluctuation.
4. **Customs Values of Bleached/Unbleached Kraft Liner Board hereinafter specified** shall be assessed to duty/taxes on the Customs values mentioned against them in the Table below:
