Determination of Customs Values of Toys Under Section 25-A of the Customs Act, 1969

(Valuation Ruling No. 871/ 2016)

No. Reg Misc/01/2007-VIIB/IX

Dated: **June 20, 2016**

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, Customs values of different types of Toys/Games are determined as follows: -

2. **Background of the valuation issue:** It was brought to the notice of this Directorate General of Customs Valuation that the values of various types of Toys have increased in the international market as compared to the determined Customs values of Toys of different origins vide Valuation Ruling No.410/2012, dated 12-01-2012 and Valuation Ruling No 666/2014, dated 31.03.2014. The impugned Valuation Rulings are considerably old and require revision in line with the prevailing prices in the international market. Therefore, this Directorate General initiated an exercise for determination of customs values of various kinds of Toys.

3. **Stakeholders' participation in determination of Customs values:** Meetings with stakeholders were held on 23-05-2016 & 31-05-2016. The stakeholders were requested to bring following documents to make the meetings fruitful.

- A. Invoices of imports during last three months showing factual value.
- B. Websites, names and E-mail addresses of known foreign manufacturers of the item in question through which the actual current value can be ascertained.
- C. Copies of Contracts made / LCs opened during the last three months showing the value of item in question.
- D. Copies of Sales Tax Invoices issued during last four months showing the difference in price (excluding duty and taxes) to substantiate that the benefit of difference in price is passed on to the local buyers.

4. The meetings were attended by representatives of M/s Pakistan Toys Importers Association and other individual importers / stakeholders. During the meetings, importers strongly argued that the price of plastic raw material has substantially reduced in the international market during last two years, and requested that the existing values may be revised downwards! On the other hand inquiries reflected that the prices determined vide previous Valuation Ruling, especially VR No.410/2012, dated 12-01-2012 needed upward revision.

5. **Method adopted to determine Customs values:** Valuation methods given in Section 25 of the Customs Act, 1969 were followed to arrive at values of Toys. Transaction value method provided in Section 25 (1) was found inapplicable due wide variation in the values being declared to the customs. Identical / similar goods value methods provided in Section 25(5) & (6) were examined for applicability to the valuation issue in the instant case which provided some reference values of the subject goods but the same could not be exclusively relied on due to wide variations in declared values of subject goods. Thereafter, market enquiries as envisaged under Section 25 (7) of the Customs Act, 1969, were conducted. As the stakeholders were not forthcoming with the values of the items being traded in the international market, therefore different markets were surveyed repeatedly for this purpose. Online prices were also obtained to corroborate the findings of the market surveys. Computed Value Method as provided in Section 25 (8) could not be applied for valuation of the aforementioned goods as the cost of raw material and fabrication charges under clause (a) and amount of profit and general expenses under clause (b) of Section 25 (8) of the Act, in the country of export, could not be ascertained. All the information so gathered was evaluated and analyzed for the purpose of determination of customs values. Consequently, the Customs values of different types of Toys have been determined under Section 25(9) of the Customs Act, 1969.

6. **Customs values for Toys:** Different kinds of Toys, specified in **Annexure** to this Valuation Ruling, *shall* be assessed to duty/taxes at the Customs Values mentioned against them.

7. In cases where declared/transaction values are higher than the Customs values determined in this Ruling, the assessing officers shall apply those values in terms of Sub-Section (1) of Section 25 of the Customs Act, 1969. In case of consignments imported by air, the assessing officer shall take into account the differential between air freight and sea freight or in case of import through Land Customs Stations, the differential amount between the Sea freight and land transport charges while applying the Customs values determined in this Ruling.

8. **Validity of this Valuation Ruling:** The values determined vide this Ruling shall be the applicable Customs value for assessment of subject imported goods until and unless it is rescinded or revised by the competent authority in terms of Sub-Sections (1) or (3) of Section 25-A of the Customs Act, 1969.

9. **Revision of the value determined vide this Valuation Ruling:** A revision petition may be filed against this Ruling, as provided under Section 25-D of the Customs Act, 1969, within 30 days from the date of issue of this ruling, before the Director General, Directorate General of Customs Valuation, 7th Floor, Custom House, Karachi.

10. The Collectors of Customs may kindly ensure that the values given in this Valuation Ruling for the given description of goods are applied by the concerned staff without fail. Any anomaly observed may kindly be brought to the notice of this Directorate General immediately. Customs values determined in the ruling are for the description and specification as mentioned in the Annex to this Ruling. HS Codes are mentioned for illustrative purposes so that valuation ruling values are made accessible to the assessing officers. The assessment shall be finalized on the basis of correct classification after fulfilling

requisite formalities related to importability or any other certification required thereon. In addition to this, it is further necessary to verify that there is no mis-declaration of any sort or violation of Import Policy Order or Section 15 of the Customs Act, 1969 or any other law in vogue therein.

11. *This Valuation Ruling supersedes Valuation Ruling No.410/2012, dated 12-01-2012 and Valuation Ruling No 666/2014, dated 31.03.2014.*
