Under Section 25-A of the Customs Act, 1969

(VALUATION RULING NO. ¹¹⁸⁷ /2017)

No.Misc/03/2006-III /1441

Dated: 19th June, 2017

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, Customs values of Plain Particle Board and Primed, Melamined and Veneered Moulded Fiber Door Skin are determined as follows : -

2. **Background of the valuation issue:** Customs values of Plain Particle Board and Primed, Melamined and Veneered Moulded Fiber Door Skin were determined vide Valuation Ruling No.925/2016 dated 07.09.2016. Some importers requested for revision of the aforementioned Valuation Ruling in the light of order of Honorable High Court of Sindh, Karachi, in CP 6918 dated 10.11.2015. Hence, an exercise was undertaken to re-determine the customs value of the subject goods under Section 25A of the Customs Act, 1969 keeping in view the international price trend.

3. **Stakeholder's participation in determination of Customs values:** Stakeholders' meeting was scheduled on 15.06.2017. All participants were requested to submit the following documents:

- i. Invoices of imports during last three months showing factual value.
- ii. Websites, names and E-mail addresses of known foreign manufacturers of the item in question through which the actual current value can be ascertained.
- iii. Copies of Contracts made / LCs opened during the last three months showing the value of item in question.
- iv. Copies of Sales Tax Invoices issued during last three months showing the difference in price (excluding duty and taxes) to substantiate that the benefit of difference in price is passed on to the local buyers.

4. The meeting was attended by importers and local manufacturer. The importers requested that the prices of the subject commodity were lower in the international market whereas, the local manufacturer insisted that the prices are on higher side. The matter was discussed at length and the import evidences/invoices available on record were shown to importers. The requisitioned documents were however not submitted by the participants.

5. **Method adopted to determine Customs values:** Valuation methods given in Section 25 of the Customs Act, 1969 were followed. Transaction value method provided in Section 25 (1) was found inapplicable because the requisite information was not available as per law. Identical / similar goods value methods provided in Section 25(5) & (6) were examined which provides some reference values. Thereafter market enquiries as envisaged under Section 25(7) of the Customs Act, 1969, was also conducted. Since the manufacturers' costs and raw material prices of producing the goods in question in the country of exportation were not available, computed value method as provided in Section 25(8) could not be applied for valuation of the aforesaid goods. All the information so gathered was evaluated and consequently, reliance was placed upon Sub-Section (9) of Section 25 of the Customs Act, 1969, and customs values of Plain Particle Board and Primed, Melaminated and Veneered Moulded Fiber Door Skin were determined under Section 25(9) of the Customs Act, 1969.

6. **Customs values for Plain Particle Board and Primed, Melaminated and Veneered Moulded Fiber Door Skin:** Plain Particle Board and Primed, Melaminated and Veneered Moulded Fiber Door Skin hereinafter *specified* shall be assessed to duty/taxes at the following values:
