DETERMINATION OF CUSTOMS VALUES OF NON-CARBON RELEASING PAPER, ART CARD/COATED BOARD/PAPER AND LIGHT WEIGHT COATED PAPERS UNDER SECTION 25-A OF THE CUSTOMS ACT, 1969

(VALUATION RULING NO. 1205/2017)

No.Reg. Misc./01/2008-III 11746

Dated: August 29th, 2017.

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, Customs values of Non-Carbon Releasing Papers, Art Card/Coated Board/Paper and Light Weight Coated Paper are determined as follows: -

2. **Background of the valuation issue:** The customs values of Non-Carbon Releasing Papers, Art Card/Coated Board/Paper and Light Weight Coated Papers were determined under Section 25A of the Customs Act, 1969, vide Valuation Ruling No.826/2016 dated 06-04-2016. A representation was submitted by All Pakistan Paper Merchants Association, Karachi with the request that the existing Valuation Ruling, needs revision as the current prices have increased in the international market. Hence, this Directorate General initiated an exercise for determination of customs values of the subject goods.

3. **Stakeholders' participation in determination of Customs values:** Meeting with stakeholders was held on 28-08-2017. The stakeholders were requested to furnish the following documents before or during the course of above said meeting:-

- A. Invoices of imports during last three months showing factual value.
- B. Websites, names and E-mail addresses of known foreign manufacturers of the item in question through which the actual current value can be ascertained.
- C. Copies of Contracts made / LCs opened during the last three months showing the value of item in question.
- D. Copies of Sales Tax Invoices issued during last four months showing the difference in price (excluding duty and taxes) to substantiate that the benefit of difference in price is passed on to the local buyers.

4. Request was received for adjournment of the scheduled meeting, however, the All Pakistan Paper Merchants Association vide letter No.APPMA/CS/17/361, dated 28-08-2017 requested that the letter for adjournment be considered null and void. All Pakistan Paper Merchants Association, Karachi and importers attended the meeting. The stakeholders were of the view that the prices have increased in the international market and requested that the customs values should be re-determined as per the prevailing prices. The documents requisitioned were however not submitted by most of the stakeholders.

5. **Method adopted to determine Customs values:** Valuation methods given in Section 25 of the Customs Act, 1969 were followed to arrive at customs value of Non-Carbon Releasing Papers, Art Card/Coated Board/Paper and Light Weight Coated Paper. Transaction value method

provided in Section 25 (1) was found inapplicable because the requisite information was not available as per law. Identical/ similar goods value methods provided in Section 25 (5) & (6) were examined for applicability to the valuation issue in the instant case which reflected that declared values were higher than the determined customs values in the existing Valuation Ruling. Thereafter, market enquiry as envisaged under Section 25 (7) of the Customs Act, 1969, was conducted and the findings of the same were corroborated. Computed Value Method as provided in Section 25 (8) could not be applied for valuation of the aforementioned goods as the cost of raw material and fabrication charges under clause (a) and amount of profit and general expenses under clause (b) of Section 25 (8) of the Act, in the country of export, could not be ascertained. All the information so gathered was evaluated and analyzed for the purpose of determination of customs values of Non-Carbon Releasing Papers, Art Card/Coated Board/Paper and Light Weight Coated Papers have been determined under Section 25 (9) of the Customs Act, 1969.

6.
