Determination of Customs Values of Uncoated Offset Paper for Writing, Printing and Photocopy under Section 25-A of the Customs Act, 1969.

(VALUATION RULING NO. **1248** / 2018)

No.Misc/26/2010-III **199**

Dated: January 19, 2018

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, Customs values of Uncoated Offset Paper for Writing, Printing and Photocopy are determined as follows : -

2. **Background of the valuation issue:** Customs values of Uncoated Offset Paper for Writing, Printing and Photocopy were determined vide Valuation Ruling No.1190/2017 dated 06.07.2017. As the ruling was old and values in the international market have appreciated, therefore, an exercise was initiated to determine the customs values of aforementioned goods under Section 25A of the Customs Act, 1969.

3. **Stakeholder's participation in determination of Customs values:** Stakeholders' meeting was scheduled on 18.01.2018. The stakeholders were requested to furnish the following documents before or during the above mentioned meeting;

- i. Invoices of imports during last three months showing factual value.
- ii. Websites, names and E-mail addresses of known foreign manufacturers of the item in question through which the actual current value can be ascertained.
- iii. Copies of Contracts made / LCs opened during the last three months showing the value of items in question.
- iv. Copies of Sales Tax Invoices issued during last three months showing the difference in price (excluding duty and taxes) to substantiate their contentions.

4. The meeting was attended by importers, traders and representatives of local manufacturers. All present during the stakeholders' meeting agreed to the point that values in the international market of the subject item has increased substantially since the issuance of previous valuation ruling. They also informed that the basic reason for enhancement in values is due to the fact that pulp prices world over have increased. The matter was discussed at length and the import evidences/invoices available on record were shown to importers/stakeholders. The documents presented during the meeting were also discussed in detail. During the stakeholders' meeting, importers agitated that certain unscrupulous elements import the same paper but give misleading PCT headings and get their goods

cleared without the application of Valuation Ruling values and give them undue advantage over the compliant taxpayers. It was agreed to include such PCT headings in the upcoming Ruling. The importers of Double A Brand of Thailand origin asserted that their declarations are always correct and have been declaring values higher than VR values when values appreciated in the market. Their competitors present during the stakeholders' meeting verified their stance. The clearance data of Double A Brand was examined during the meeting and it was unanimously decided that Double A brand would be excluded from the Ruling.

5. **Method adopted to determine Customs values:** Valuation methods given in Section 25 of the Customs Act, 1969 were followed to arrive at customs values of Uncoated Offset Paper for Writing, Printing and Photocopy. Transaction value method provided in Section 25 (1) was found inapplicable owing to non fulfillment of prescribed requirements. Identical / similar goods values methods provided in Section 25(5) & (6) were examined for applicability to the valuation issue in the instant case which provided a number of reference values of subject goods but the same could not be exclusively relied on due to certain variations in declared values of subject goods. Thereafter, market enquiries as envisaged under Section 25(7) of the Customs Act, 1969, were conducted. Online prices were also obtained to corroborate the findings of market survey. Consequently, the customs values of the Uncoated Offset Paper for Writing, Printing and Photocopy of various types have been determined under section 25(7) of the Customs Act, 1969.

6. **Customs values for Uncoated Offset Paper for Writing, Printing and Photocopy:** Uncoated Offset Paper for Writing, Printing and Photocopy hereinafter *specified* shall be assessed to duty/taxes at the following values: -
