(VALUATION RULING NO. 1341 / 2018)

No.Misc/05/2011-III

11481

Dated: November, 16th 2018

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, Customs values of suitcases (soft & hard) of low end brands are determined as follows:-

2. **Background of the valuation issue:** The customs values of suitcases (soft & hard) of low end brands were determined vide Valuation Ruling No. 915/2016 dated 25-08-2016. Since the valuation ruling was more than two years old and representations were received in this Directorate General to determine the values afresh in terms of current international pricing Therefore, an exercise was initiated under section 25A of the Customs Act, 1969 to determine the customs value a fresh.

3. **Stakeholder's participation in determination of Customs values:** Stakeholders' meeting was scheduled on 07.02.2018 & 11.09.2018. The stakeholders were requested to furnish the following documents before or during the course of above said meeting;

- i. Invoices of imports during last three months showing factual value.
- ii. Websites, names and E-mail addresses of known foreign manufacturers of the item in question through which the actual current value can be ascertained.
- iii. Copies of Contracts made / LCs opened during the last three months showing the value of item in question.
- iv. Copies of Sales Tax Invoices issued during last four months showing the values of supplies (excluding duty and taxes) to substantiate their contentions.

4. Despite lapse of considerable time, the importers failed to furnish the requisite documents .

5. **Method adopted to determine Customs values:** Valuation methods given in Section 25 of the Customs Act, 1969 were followed to arrive at customs values of suitcases (soft & hard) of low end brands. Transaction value method provided in Section 25 (1) was found inapplicable owing to wide variation in the values being declared to the customs and incomplete descriptions. Identical / similar goods values methods provided in Section 25(5) & (6) were examined for applicability to the valuation issue in the instant case which provided some reference values of subject goods but the same could not exclusively relied on due to wide variation in declared values of subject goods. Thereafter market enquiries as

envisaged under Section 25(7) of the Customs Act, 1969, were conducted. Online prices were also obtained to corroborate the findings of market survey. Consequently, the customs values of the suitcases (soft & hard) of low end brands of various types have been determined under section 25(7) of the Customs Act, 1969.
