DETERMINATION OF CUSTOMS VALUE OF PRESS-FASTENERS, SNAP-FASTENERS, PRESS-STUDS UNDER SECTION 25A OF THE CUSTOMS ACT, 1969

(VALUATION RULING NO. 1657/2022)

C.No. Misc/03/2015-VIII/IX/592.

Dated: 07-06-2022

In exercise of the powers conferred under Section 25A of the Customs Act, 1969, the custom value of Press-Fasteners, Snap-Fasteners, Press-Studs is determined as follows:

2. **Background of the valuation issue:** Earlier, the customs values of Press-Fasteners, Snap-Fasteners, Press-Studs was determined under section 25A of the Customs Act, 1969 customs values of vide Valuation Rulings No.899/2016 dated 04-08-2016. Since the Valuation Ruling was more than six years old, representations were received in this Directorate General to revise the same as per prevalent market price. Therefore, an exercise was initiated in this Directorate General to determine customs values of subject goods in terms of Section 25A of the Customs Act, 1969.
3. **Stakeholders' participation in determination of Customs values:** Meeting with all stakeholders, trade bodies including representatives of clearance Collectorates were held in this Directorate General on 19-04-2022. The importers/stakeholders were requested to submit their proposals/suggestions as well as following documents before or during the course of stakeholders' meeting so that Customs value could be determined:
 - i. Invoices of import during last three months showing factual values
 - ii. Websites, names and E-mail addresses of known foreign manufacturers of the item in question through which the actual current value can be ascertained.
 - iii. Copies of Contracts made / LCs opened during the last three months showing the value of item in question.
 - iv. Copies of Sales Tax Invoices issued during last four months showing the difference in price (excluding duty and taxes) to substantiate that the benefit of difference in price is passed on to the local buyers.
4. The meeting was attended by number of importers during the meeting were of the view that the prices of the subject commodities have not increased in the international market and value of aforesaid VRs are fair. They, however, could not submit any corroboratory evidence / documents in support of their contentions. On the other hand. They were shown ample evidence that values in international market were higher than those determined. However, the

representative of local garment industries contended that they import the subject goods as per their requirements / specifications and at the much higher rate as compared to the ones declared by commercial importers.

5. **Methods Adopted to Determine Customs Values:** Valuation methods provided in Section 25 of the Customs Act, 1969 were followed arrive at customs values of button. The transaction value method provided in Section 25(1) was found inapplicable owing to wide variation in the values being declared to the customs and in complete descriptions. Identical similar goods value method provided in Section 25(5) & (6) were examined for applicability to the valuation issue in the instant case which provided some reference value of the subject goods but the same could not be exclusive relied on due to wide variation in declared values of subject goods. Thereafter, market enquires as envisaged under section 25(7) of the Customs Act, 1969, were conducted. A number of items sold in the local market the price were obtained and worked out by deductive method of valuation. Consequently, the customs values of Press-Fasteners, Snap-Fasteners, Press-Studs various types have determined under section 25(7) of the Customs Act, 1969.
