**DETERMINATION OF CUSTOMS VALUES OF TYRES & TUBES-I**  
**(PASSENGER CARS) UNDER SECTION 25A OF THE CUSTOMS ACT, 1969**

**(VALUATION RULING NO. 1820 /2023)**

C. No.Misc/08/2005-III/967

Dated: 25-10-2023

In exercise of the powers conferred under Section 25A of the Customs Act, 1969, the Customs values of Tyres & Tubes of Passenger Cars are determined as follows:

2. **Background of the valuation issue:** Earlier, the Customs values of Tyres & Tubes of different types and sizes including those of Passenger Cars were determined under Section 25A of the Customs Act, 1969 vide Valuation Ruling No.1700/2022 dated 07-12-2022. However, different stakeholders requested to re-determine Customs values afresh in line with values prevalent in the international market. Therefore, an exercise has been undertaken by this Directorate to determine the same.

3. **Stakeholders' participation in determination of Customs values:** Meeting was convened on 18.09.2023 which was attended by all the relevant stakeholders including M/s Pakistan Tyre Importers and Dealers Association (PTIDA). They submitted their proposals for consideration and the same were considered pertaining to the valuation of subject goods.

4. **Analysis / Exercise done to determine Customs Values:** M/s Pakistan Tyre Importers and Dealers Association (PTIDA) informed that international market has shown a downward trend of prices over the period of time and submitted their proposed prices accordingly. In this regard, ninety (90) days' data has also been retrieved and the same has been scrutinized. Moreover, import data of tyres & tubes for past three financial years was compared with data of Afghan Transit Trade for the same period. After analysis, It has transpired that the total import value of Tyres & Tubes imported into Pakistan decreased from 11 billion Rupees to 3 billion Rupees from FY 2020-21 to FY 2022-23 while, for Afghanistan, total import value under Transit trade increased from 2 billion Rupees to 18 billion rupees during the same period.

5. Further, a representation was received regarding inclusion of Vietnam Origin in the VR. The applicant also presented Customs Appellate Tribunal Bench-II, Karachi Order's, in Customs Appeal Nos. 781 & 783/2023 both dated 22.08.2023, whereby the Valuation Ruling Nos. 1700/2022 and 1701/2022 both dated 07.12.2022 were set aside to the extent of appellants. The matter was examined at length in the light of clearances made by the applicant during last three years and other importers of Tyres & tubes of Vietnam origin. Following results of different sizes of tyres & tubes imported by applicant have surfaced as the outcome of the exercise:

Vietnam Origin						
		Applicant's Declared Values				Other Importer's Declared Values
S. No	Description/Size	2021	2022	2023	After setting aside of VR by Customs Appellate Tribunal	2023
1.	145-R12C-8PR	9,12		9	9, 11.4	15
2.	155-R12/8 PRC	15	17	10	9.6	
3.	185R14-8PR	31		28	19.6	
4.	195R14-8PR	30,35			24.6	41,43.4
5.	450-12-8PR	12.73	15.91		7	14.8
6.	500-12 8PR	(14PR) 16.4	20.7		11.4,11.8,	19
7.	650-16-12PR	25.4, 32	45			51
8.	700-15-8PR		44.8	34	24.8	41.5
9.	1000-20-16PR	103, 132.6, 149.6	149.6	149.6	89.75	
10.	145/70 R12	14	17		10.2	
11.	155/70 R12	12.6, 15	21	10	10.2	21
12.	165/70 R12	14,15,16	23		11.4	
13.	195/60 R15	29			19.2	
14.	215/55 R16		50	50	24	
15.	215/60 R16	42	48		23.4	
16.	215/65 R16	36			25	
17.	225/45 R17	41,45			24.6	

It is clear from the above table that the applicant has lowered his declared values of tyres especially after setting aside of Valuation Rulings by Customs appellate Tribunal Karachi Order dated 22.08.2023. His values are also far lower when compared with declared values of other importers from the same origin i.e Vietnam. In view of the above data/analysis, it is evident that the applicant's request (in case of Vietnam origin) does not merit consideration.

6. **Method(s) adopted to determine Customs values:** Valuation methods specified in Section 25 of the Customs Act, 1969, were duly applied in sequential order to arrive at the

Customs values of subject goods. The transaction value method as provided in sub-Section (1) of Section 25 of the Customs Act, 1969, was found inapplicable due to wide variation of values in import data. Moreover, the requisite information under law was not available to arrive at correct/transaction value. Therefore, identical/similar goods value methods provided in Sections 25(5) & (6) *ibid* were examined for applicability to determine Customs values of subject goods. The data provided some references; however, it was found that the same could not be solely relied upon due to absence of absolute demonstrable evidence of quantities and qualities, variation in declaration and specifications. Information available was, hence, found incomplete. In line with statutory sequential order of Section 25 of the Customs Act, 1969, this Directorate conducted market survey under sub-Section (7), read with Section 25(9), of Section 25 of the Customs Act, 1969. Various Wholesale and Retail Markets were visited to observe the actual prices of Tyres and Tubes. On the basis of available data / information collected and exercise conducted the values of Tyres and Tubes have been determined under sub-Section (7), read with sub-Section (9), of Section 25 of the Customs Act, 1969.

7. **Customs values of Tyres and Tubes-I (Passenger Cars)** - hereinafter specified, shall be assessed to duty / taxes at the Customs values as per attached Annexure-A, which forms integral part of this Valuation Ruling along with the **following conditions**:

- i) *If a radial tyre is imported which is not covered in this Ruling and whose specifications are similar to normal tyre except for being radial, such tyres may be assessed at 12% higher value than that of the normal tyre.*
- ii) *Values of the tyres with different "ply" shall be assessed by adding or subtracting from the determined value @ 3% per two ply rating.*
- iii) *Discount of 5% is admissible for import of tyres and tubes through land route on C&F value determined by this Directorate.*
- iv) *If tyres and tubes having specifications other than those mentioned in the valuation ruling are imported, the Collectorates may assess the goods under Section 25A of the Customs Act, 1969 or may refer the case to this Directorate General for suitable advice.*

8. In cases, where declared values are higher than the Customs values determined in this Ruling, the assessing officers shall apply those values in terms of sub-Section (1) of Section 25 of the Customs Act, 1969. In case of consignments imported by air, the assessing officers shall take into account the difference between air freight and sea freight while applying the Customs values in this Ruling.

9. **Validity of this Valuation Ruling:** This Ruling, containing the Customs values for assessment of subject imported goods, shall be applicable until and unless the same are rescinded or revised by the competent authority in terms of sub-Section (4) of Section 25A of the Customs Act, 1969.

10. **Revision of the values determined vide this Valuation Ruling:** If aggrieved, a revision petition may be filed against this ruling as provided under Section 25D of the Customs Act, 1969, within 30 days from the date of its issuance, before the Director General, Directorate General of Customs Valuation, 7<sup>th</sup> Floor, Custom House, Karachi.

11. The Collectors of Customs may kindly ensure that the values given in the Valuation Ruling, for the given description of goods, are applied by the concerned assessing officers / officials without fail. Any anomaly observed may kindly be brought to the notice of this Directorate immediately. The Customs values determined in this ruling are for the descriptions and specifications as mentioned in Para-6 of this Ruling. HS Codes are mentioned for illustrative purposes so that Valuation Ruling is made accessible to the assessing officers. The assessments shall be finalized on the basis of correct classifications after fulfilling all formalities related to importability or other certifications required thereon.

12. *This Ruling supersedes the Valuation Ruling No.1700/2022 dated 07-12-2022.*
